## [Rules for Mediation](#)

In addition to the standard rules for mediation, I ask that all parties keep in mind that:

- ✓ Unless other arrangements have been made, every named party is expected to attend mediation.
- ✓ An organization or governmental entity may send a representative who has the authority to enter an agreement on behalf of the organization or governmental entity.
- ✓ Amicus Attorneys are highly encouraged to attend mediation; however their recommendations can be given to the mediator if attendance is not possible.
- ✓ All attorneys are bound to the Texas Lawyer's Creed.
- ✓ All parties will participate in good faith with an open willingness to come to a full agreement.
